## Dear Parents and Dancers,

Welcome to our 31st Spring Dance Recital!

We prepared this newsletter to “pull back the curtain” on our plans for our recital. Let me start by saying, “I am so grateful that Broadway Bound Dance Center is open.”

To the community and my staff, I thank you for your support navigating through these uncharted waters. This is not the recital we wanted, but it will be a recital our dancers will never forget. The excitement, fun and sense of accomplishment are still present for the students.

The recital will be held at the **The Amphitheater @ Overpeck Park** in Ridgefield Park, NJ on June 14th, 15th & 16th.

## Recital Pass

Each family is allowed **10 guests**. Tickets purchased can be used to any or all shows. Anyone over two years old needs a ticket. Please print the receipt of your ticket purchase. This will be your pass to the audience viewing area.

**TICKETS WILL NOT BE SOLD AT THE PARK, online ticket sales only.**

Performers **do not** need to purchase a ticket.

Dancer's family names will be on a roster and checked off as you enter allowing 10 guests per family. You must have the receipt from ticket purchase mentioned above in order to enter.

Dance families may log into their parent portal to purchase their tickets.

All the details below have been created following our state's guidelines and safety measures. Procedures will be different but the most important thing is that our kids have a safe space to perform and share what they have been working very hard on over the past 10 months. Our kids are on stage!

To adhere with COVID-19 restrictions, our shows will be spread out across three days. Our 2021 Spring Dance Recital this season consists of **nine performances**. Keep in mind because there are more recitals, your dancer may be in more than one show. Our Recital runs approximately 35 minutes.

We tried our very best to accommodate siblings and students who take multiple classes so that they are in the same show, and did our best to place those shows back to back for your convenience.
